Dear Parent,

Please be aware that students are expected to appear for the Second Weekly Examination beginning in the month of November.

The school does not permit any leave of absence during the Weekly Cycle Examination unless it is on medical grounds. In case your ward is ill and cannot appear for the exam, the information must be conveyed to the school before or on the same day. Subsequently within 3 days a medical certificate must be submitted. After this, only one chance of appearing for the retest on an allotted date shall be granted by the school.

Under non compliance of the above instructions a 'zero' will be marked for your ward which will affect her/his promotion to the next class.

Regards,

PRINCIPAL
