

Dear Parent

We have introduced the DEAR(Drop everything and read) period thrice a week in this academic session. The students are expected to read a story book during this period. A list of books has been given for each class. Please buy the first three books given in the list at the earliest.

Please ensure that your child carries one book (out of the first three) to school every day. Once he/she has finished reading one book, he/she should bring the next book. We expect students to finish reading 3 books by May end. For the rest of the year, we will keep informing you about the next lot of books. We hope to make the students avid readers. Your cooperation is solicited.

Regards
