

Circular regarding STEM TRIBE

Dear Parent

You are aware EY(Ernst and Young) had initiated a six month long STEM pilot project in the school. We are in the final month of the same. Twenty six girls have already won prizes like Telescopes, Samsung Galaxy Tablets, Virtual reality 3D headsets, microscopes, Electronics and Coding kits and Solar Robotics kit.

Please encourage your daughters to download and explore the app, so that they can also get a chance to win such rewards and gather fruitful information.

Looking forward to your active participation.

Please find attached the list of girls who have won prizes.

Regards

PRINCIPAL

NEW ERA PUBLIC SCHOOL
