NEPS/PAR.CIR./2021-22/19

8th November, 2021

Dear Parents,

The CBSE is conducting the National Achievement Survey (NAS) 20-21 on Friday, 12th November, 2021. This is to inform you that our school has been chosen as a sample school for this survey. This is a mammoth exercise being conducted as per the directive from the Ministry of Education and it is in the interest of all of us to cooperate in this endeavour. There is no preparation required for this exercise as it will assess the basic understanding required for the concepts being taught in that class.

NAS will be conducted in classes V, VIII & X in our school. It is mandatory for all students of these classes to be present in school on 12th November, 2021. The timings for the students are as follows:

Class V : 8:45 a.m. – 1 p.m.

Class VIII : 9:15 a.m. – 1:30 p.m.

Class X : 9:45 a.m. – 1:45 p.m.

Entry and exit of students will be from Gate No. 3. Teachers on duty at the gate will ensure smooth movement of students following social distancing norms. The children will be seated in classes as per COVID-19 guidelines. All students must be in proper school uniform/White school shirt & Blue Jeans. All students must wear a mask, carry a hand sanitizer, a BLUE BALL POINT PEN, an HB PENCIL and an ERASER. Students should carry their water bottles and lunch. Transport facility will not be available.

Anticipating your full support.

Regards

PRINCIPAL
