NEPS/PAR.CIR./2021-22 / 37

29<sup>th</sup> March, 2022

Dear Parents,

The bus routes for the session 2022-23 have been finalized based on the information provided by parents in the Google form for availing transport. The buses will start plying from 4<sup>th</sup> April, 2022.

Please note that in case, any parent did not fill the Google form earlier and would like to avail the transport facility now, may fill the new Google form, link to which shall be sent again in April 2022. Any inclusions in the routes, however, will now be possible only in July 2022, provided enough applications are received for a particular route to operate new buses.

Regards

Vandana Chawla
