NEPS/PAR.CIR./2022-23/21

12/07/2022

Dear Parents,

Greetings from NEPS.

It is a fortunate time for all of us that a majority of the citizens of our country are now vaccinated against Covid - 19. Our schools and other commercial establishments are currently open and functioning in their optimum capacity.

It is, therefore, that I am writing to you to request you that the school fees coming in to our bank are extremely irregular and we have huge challenges in meeting our expenses in a timely manner. Our school is as much in dire need of funds as any other organisation. Our expenditure has to be met only through regular incoming school fees.

You are requested to keep this in mind and deposit your wards' fees by the 10th of each month to save your ward and the school authorities from difficulty.

Thanking you in advance.

Regards

PRINCIPAL
