Dear Parent,

I would like to take this opportunity to extend my thanks and appreciation for your support and cooperation during these difficult times.

We have joined forces and created this new synergy where the teaching and learning modalities have changed drastically yet be as holistic as possible for all students studying online. Our staff members have exemplified efficiency and worked as effortlessly as possible to create a humanising and interesting platform for the students where along with the academic curriculum, we are able to deliver life skills, inter house events, activities and general knowledge classes.

This could not have been possible without your active participation and involvement in the students' classes and so many of you have expressed your thoughts and feedback regarding these via emails and calls to the staff members and to myself.

The school has been running online for all 3000 plus students and this feat has been accomplished only with your help.

Further, reference order no. F.NO. PS/DE/ 2020/55 dated 18.04.2020 of Directorate of Education, please note that the payment of Fee from 2nd quarter is as under:
