

NEW ERA PUBLIC SCHOOL
MAYAPURI, NEW DELHI-110064

NEPS/PAR.CIR./2021-22/06

3rd June, 2021

Dear Parent,

This has been the most devastating year in our collective memory and we have all suffered at multiple levels. This includes all school going children. In keeping with the challenging circumstances of the past academic year, the school management has decided to open all streams for all children as they so desire.

Do however keep in mind your child's caliber. In the heat of the moment what may appear like a great opportunity, may turn out to be extremely difficult for your child and cause severe stress and heartache later on in the academic year. The choice is being given to you. Please use your free will wisely.

Those interested in changing their stream/yet to choose, may fill the Google form using the following link latest by 4th June, 2021. Timely submission of the revised choices will help us complete the section allocation and their timetable.

[Click here for Google Form](#)

(Please refer to the circular NEPS/PAR.CIR./2021-22/05 dated 12th May, 2021 available on the school website for different subject combinations.)

Those students who have been offered special combination of subjects must not fill this form as the subjects have already been offered to them and fixed keeping in mind their best interest.

Sale of books for class XI will take place in the school premises on Tuesday, 8th June, 2021 from 9 a.m. to 3 p.m.

Regards

PRINCIPAL
