

NEW ERA PUBLIC SCHOOL

Mayapuri, New Delhi-110064

NEPS/PAR.CIR./2020-21/04

7th April, 2020

Dear Parents,

Online classes for class I will begin from 8th April, 2020 and class XI will be starting with their classes from 9th April, 2020. With that our entire student community will be connected to the school and subject teachers in an online mode.

It is a huge accomplishment that we will have pulled off and it is entirely due to the inter departmental cooperation and support that all members of the New Era staff give each other. Coupled with that is the focus and desire to do our best for every child at New Era.

Currently we have no idea when schools will reopen in full measure. Like you at home, we too are planning our teaching strategies for a few days at a time. We are soon going to incorporate some online testing modules to be inserted into the time table and information will be sent to you once we have finalised the process.

We have been receiving some suggestions from parents via email and we are trying our best to incorporate them into the teaching styles and modalities of the online process. Whatever the future may bring, it will be our endeavour to keep working at accomplishing the best we can, given the limitations of the current environment.

A schedule for individual and collective counselling services (VI-XII) is being planned and will begin on 13th April, 2020. A detailed circular regarding this will be available to you on the school website www.newerapublicschool.in by this weekend. Along with that we are looking at online activity and physical education classes for students up to middle school (I-VIII). We will share details soon.

Please stay in touch with the school via email (uchpneps@gmail.com), or on WhatsApp with the class teachers and suggest ways in which we can make the teaching and studying time more meaningful.

I look forward to welcoming all the children back at school soon. Till then please stay safe, healthy and indoors.

Best wishes

Vandana Chawla
